Huge ollie potential

High Margin Accessories and Consumables

We got it all. Trucks we don't make, wheels that wear out, stickers that fall off, plastic rails, and our most elaborately packaged item to date (and most worthless and ill-conceived), Wedgies.

- Soon to come: Blind White Wall Wheels, new Gizmos
- Not pictured: Our vast sticker collection, Bela Lugosi, Rubbish Heap Video, wedgies, Bed Pans

HOW DARE THEY!

If you see an advertisement in the press, in print, on posters, in a cinema or a television commercial which makes you angry, write us a letter at the address below. We will tell them to fuck off.

world industries • 3848 Del Amo Blvd. #304 • Torrance CA., 90503

This ad was declined by all three magazines. Censorship is fascism.
